Coats for the City – Upcoming Associational Partnership

Our Sandy Creek Baptist Association is partnering with the Metropolitan NY Baptist Association to provide **coats for the city**. As you are rotating seasonal clothes, please consider donating heavy and lightweight coats and jackets. These must be very gently used and already cleaned. Check buttons and zippers and for odors and stains. New coats and jackets are very welcome. Bins will be available mid-September through early-October. Please use a safety pin to attach a paper label to each item. Include both (1) the size and (2) whether the item is for adult or child and male or female. To join the volunteer team to sort items or to help deliver to New York City, ask Stephanie for the details. If you prefer that your donation remain in Lee County, just include the words "Donate Locally" on your label.

Birthday Blessing:

Terri Pope - 22nd Angie Jones - 24th Isabel Mitchell - 25th

Welcome Today's Guest Speakers

Today we have the unique privilege of having Chuck and Barbara share with us about their ministry in South Asia. They are North Carolina natives who for the past eleven years have been your missionaries to South Asia through the International Mission Board. You support them with your gifts to the Lottie Moon Christmas Offering and the Cooperative Program of the Southern Baptist Convention.

For their security in the region where they serve and for the safety of the people they are reaching, today's worship service is not streamed online or recorded. Pray for them as they proclaim the gospel!

VBS Report

44 children, 14 youth helpers, and 22 adult volunteers participated in Vacation Bible School this year. They raised \$893.92 which will be used for the needs of Deep River Elementary School.

Outreach Mission Shelter

The Director of our local Outreach Mission shelter has mentioned to WMU that residents of both the men's shelter and women's shelter need underwear and tee-shirts (without logo or images). If you are able to help with this, there are bins in the Atrium for basic hygiene items which are specific to needs of women and men.
